## WELCOME TO INDIA

Indian Medical Tennis Society (IMTS) is thrilled to welcome the world to India in winter 2027!

India has come a long way in the world of medical tennis. Our journey with WMTS began in Orlando in 2022, when India made its first-ever appearance at the World Medical Tennis Society Championships. What started with a single Indian participant has grown into a journey of friendship, competition and international camaraderie.

Over the years, we have come to love the spirit of WMTS—the passion for tennis, the healthy competition, the friendships beyond the court, and the wonderful sense of community among doctors from across the world. The vibe is a perfect match for what we believe in at IMTS.

And now, we are truly honoured and excited to welcome the WMTS family to India for the 2027 Championships.

We hope you will experience the warmth and generosity that Indian hospitality is known for. From its rich culture and diverse traditions to its vibrant cities and world-famous cuisine, India offers something special for everyone.

Our host city, Hyderabad, is a wonderful blend of history and modern India—with magnificent palaces and forts, vibrant streets, and, of course, some of the most delicious food you will ever experience. From the famous Hyderabad biryani to its rich culinary traditions, we hope your time here will be as memorable off the court as it is on it.

And if you have the opportunity to travel beyond Hyderabad, India has so much more to offer. Explore the tranquil backwaters of Kerala, the magnificent temples of Odisha in the east, the breathtaking Himalayas and Ladakh in the north, or the beautiful beaches of Goa in the west. And this is by no means an exhaustive list! Discover the many landscapes, cultures, traditions, and experiences that make India truly unique.

Most importantly, we look forward to welcoming old friends and making many new ones.

**Welcome to India.**  
**We look forward to seeing you in 2027.**
